On January 8, 2010, White Springs Agricultural Chemicals, Inc. d/b/a PCS Phosphate – White Springs (“PCS Phosphate”), through its undersigned attorneys, filed a Petition to Intervene in the above-referenced consolidated proceeding. consideration of Progress Energy Florida's demand-side management ("DSM") plan in the event such review would take place in Docket No. 080408-EG.

On March 30, 2010, Progress filed its Petition for Approval of Proposed Demand-Side Management Plan, which was subsequently docketed in Docket No. 100160-ES.

Because Progress' DSM implementation plan is being reviewed in a separate docket, PCS Phosphate does not have a continuing interest in participating in the above-referenced proceeding. Accordingly, PCS Phosphate hereby withdraws its January 8, 2010 Petition to Intervention.

Respectfully submitted,
