Re: Fuel and Purchased Power Cost Recovery Clause with Generating
Performance Incentive Factor; FPSC Docket No. 100001-EI

TRANSMITTAL OF CONFIDENTIAL INFORMATION

Dear Ms. Cole:

On April 1, 2010 we filed in the above docket on behalf of Tampa Electric Company and on a confidential basis pages 3 of 6 and 5 of 6 of Tampa Electric's Risk Management Report of 2009 Risk Management Activities. We separately filed a Request for Confidential Classification of highlighted information contained on those two pages.

Since that filing, Tampa Electric has made revisions to page 3 of 6 of the referenced Report. Enclosed is a single confidential version of the revised page 3 of 6 (marked Revised August 31, 2010), with the confidential information highlighted in yellow. We would appreciate your substituting this revised page 3 of 6 in place of the one including in the April 1 filing. This revised page 3 of 6 should be treated as confidential proprietary business information for the same justifications included in our April 1 Request for Confidential Treatment. We also request that you return to the undersigned on a confidential basis the confidential version of page 3 of 6 of the April 1, 2010 filing.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
