TRANSMITTAL OF CONFIDENTIAL INFORMATION

Dear Ms. Cole:

On August 16, 2010 we filed in the above docket on behalf of Tampa Electric Company and on a confidential basis Tampa Electric's Hedging Information Report, consisting of one page. We separately filed a Request for Confidential Classification of highlighted information contained on that one page report.

Since that filing, Tampa Electric has made revisions to the referenced Report. Enclosed is a single confidential version of the revised one page report (marked Revised August 31, 2010), with the confidential information highlighted in yellow. We would appreciate your substituting this revised one page report in place of the one included in the August 16 confidential filing. This revised report should be treated as confidential proprietary business information for the same justifications included in our August 16 Request for Confidential Treatment. We also request that you return to the undersigned on a confidential basis the confidential version of the one page report included in the August 16, 2010 filing.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
