Please add a CLK note to the vote sheet discription in Docket 100393 and place this e-mail in administrative correspondence (for historical reference). Thank you.

[CLK note: The vote sheet approved the action requested. For monitoring purposes, this docket should remain open until April 27, 2012 to allow the Company time to file the required Consummation Report.]

My suggestion is that Dorothy add a CLK note to the vote sheet discription that states:

[CLK note: The vote sheet approved the action requested. For monitoring purposes, this docket should remain open until April 27, 2012 to allow the Company time to file the required Consummation Report.]

Do you agree that this would clarify the record?

For monitoring purposes, this docket should remain open until April 27, 2012 to allow the Company time to file the required Consummation Report.

Recommendation: The Commission should approve the action requested in this docket referenced above and close this docket.

APPROVED

Ann, I am reviewing the order for Docket 100393 right now. I just want to let you know that the vote sheet for this docket is incorrect. The order is correct because it is consistent with the staff rec, which states that the docket is to remain open. However, the vote sheet has: "**Recommendation:** The Commission should approve the action requested in this docket referenced above and close this docket."

I am letting the order go because it is correct. As far as the vote sheet is concerned, I don't know whether you want take any correction actions.
