Diamond. I believe it should go in the current docket as payment of 2010 up to the time of transfer to government. Thanks.

Patti. Can you forward this to Katherine Fleming. She has an unusual email address which my home computer doesn't know. Thanks.

Hello Pat. On Friday the clerks office received for processing a check in reference to North Fort Myers Utility, Inc. Regulatory Assessment Fee's. However on the letter it did not specify a docket number in which it was for, or where it should be placed. So should it be placed in the current opened docket containing North Fort Myers Utility Inc. which is 100388-WS, or should we place this in the undocketed matters 100000-OT. Thank you very much for your concerning this matter.

Thank you,
