The attached CD and cover letter appeared on my desk this morning, and refers to information submitted in a closed docket, Docket No. 060368-WS. I do not know the origin of the CD, or why it appeared on my desk. It appears to be a copy of confidential information, the original of which has already been returned to the utility. It also appears that this CD was never filed with the Commission Clerk and thus was not tracked as confidential information usually is. I am forwarding the information to you so it may be returned to the source.
