FPSC-COMMUNICATIONS

9/10/2010

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In Re: Nuclear Power Plant)
Cost Recovery Clause)

Docket No. 100009-EI
Filed: September 10, 2010

**NOTICE THAT NOTICE OF INTENT
TO REQUEST CONFIDENTIAL CLASSIFICATION IS
MOOT DUE TO ORDERS GRANTING CONFIDENTIAL TREATMENT**

On August 23, 2010, pursuant to Florida Administrative Code Rule 25-22.006(3)(a), Florida Power & Light Company ("FPL") filed a Notice of Intent to Request Confidential Classification of Audit Staff's Project Management Internal Controls Audit Report (attached to audit staff's testimony in this docket and designated as Confidentiality Evidentiary Hearing Exhibit No. 2) and the Concentric Investigation Report, with an employee complaint letter attached (provided in response to Staff's 4th Request for Production of Documents No. 25). The highlighted and redacted documents attached thereto reflected the limited confidentiality designations determined on August 20, 2010, at the Confidentiality Evidentiary Hearing. FPL intended to file a formal Request for Confidential Classification consistent with those confidentiality designations within the 21 days allowed by Rule 25-22.006(3)(a), Fla. Admin. Code.

Later on August 23, 2010, Order No. PSC-10-0540-CFO-EI and Order No. PSC-10-0542-CFO-EI were issued granting confidential classification of the information identified as confidential in the documents attached to and referenced in FPL's Notice of Intent (with one exception). Accordingly, FPL need not file a formal Request for Confidential Classification and FPL's Notice of Intent is moot. This confidential information will receive confidential treatment for 18 months pursuant to Order No. PSC-10-0540-CFO-EI and Order No. PSC-10-0542-CFO-EI.
