Re: Docket No. 100158-EG

Dear Katherine:

As a result of the Commission's discussions and decisions to include savings associated with solar programs, Florida Public Utilities Company would request a deferral of this docket from the September 28 Agenda to the next available Agenda. This would enable the Company an opportunity to provide the expected savings from the solar programs included in the DSM plan and allow staff an opportunity to consider that in their recommendation.

Sincerely,

Norman H. Horton, Jr.
