**Re: Verify 2009 Revenues and Regulatory Assessment Fees Reported to the Commission;  
Audit Control No: 10-260-1-1; TX804**

Dear Mr. Diamond:

This letter is being reissued to correct the above mentioned audit control number and due date.

The Florida Public Service Commission will conduct an audit, in accordance with Commission audit procedures. Access will be requested to documents and records of the utility and, if necessary, supporting records for affiliate company transactions that affect regulated operations. Staff auditors may also request to review the utility's external audit working papers for the most recent independent audit. Ms. Lynn Deamer, the Tallahassee district office supervisor, will coordinate this audit. Ms. Deamer can be reached at (850) 413-6416. Questions regarding the audit or audit staff should be directed to the district supervisor or myself. My phone number is (850) 413-6946.

The Audit Access to Records rule for each industry states: "In those instances where the utility disagrees with the auditor's assessment of a reasonable response time to the audit request, the utility shall first attempt to discuss the disagreement with the auditor and reach an acceptable revised date. If agreement cannot be reached, the utility shall discuss the issue with successive levels of supervisors at the Commission until an agreement is reached."

A formal report is expected to be issued for internal Commission use on December 31, 2010. A copy of the final report will be mailed to the company liaison listed on the Commission Mailing Directory.

Sincerely,

Handwritten signature of Clarence Prestwood in black ink.
