Subject: Docket No. 100009-TP

Lee Eng:

The parties to Docket No. 100009-TP have agreed that a temporary stay of this proceeding and similar proceedings pending in other states may facilitate a multi-state settlement of such complaints.

In connection with the parties' settlement discussions, Sprint has agreed to provide certain additional data to AT&T by December 6, 2010. The parties have further agreed that neither will seek to reactivate these proceedings prior to January 10, 2011, provided AT&T receives the additional data from Sprint on or before December 6, 2010. AT&T Florida reserves the right to seek reactivation and a lifting of any stay in this matter prior to January 10, 2011, in the event that Sprint does not provide the additional data discussed by the parties on or before December 6, 2010.

Please let us know if this email is sufficient for staff to revise the CASR accordingly, or if you would prefer that we file an agreed motion.

Thanks,

Marsha
