The cancellation date for the certificate is July 23, 2010, the day the court appointed the county as receiver.
 Thanks for the reminder that the first ordering paragraph should contain the effective date of the cancellation.

Good afternoon Tom, order PSC-10-0623-FOF-WU was issued today and I need for you to verify the cancellation date of their certificate 439-W, as it is not listed in the 1st ordering paragraph of the order, as this is normal place that the date should be listed. There are several dates mentioned in the order and it is not clear to me which is the correct date to use. Is it the date that the Court appointed the County as the receiver, which is 7-23-10 or the date of the order, which is 10-18-10. Please advise as to the correct date of cancellation, and remember that this date should be listed in the 1st ordering paragraph of any future orders that you do, as to cancellation. Thanks.
