transfer of its Lake View Hills system, which currently serves approximately 65 residential customers, to Marion County, Florida.

The purpose of this order is to acknowledge the transfer of Sunshine's Lake View Hills water system to Marion County as a matter of right and to amend Sunshine's Certificate No. 363-W to reflect the deletion of that territory. We have jurisdiction, pursuant to Section 367.071, Florida Statutes (F.S.).

### DECISION

Sunshine filed for a transfer of its Lake View Hills facilities and amendment of Certificate No. 363-W on August 17, 2010. The Lake View Hills system currently serves approximately 65 residential customers. We estimate that the transfer of this system equates to an annual loss of revenue for the Utility in the amount of \$12,988. The Utility's application was found to be deficient. Responses to the deficiencies were filed on September 13, 2010. Pursuant to Section 367.071(4)(a), F.S., the sale of facilities to a governmental authority shall be approved as a matter of right. As such, no notice of the transfer is required and no filing fees apply. The application is in compliance with Section 367.071(4)(a), F.S., and Rule 25-30.037(4), F.A.C.

On July 7, 2010, the Utility and Marion County executed a Standard Asset Purchase & Sale Agreement, in addition to an amended and restated Closing Statement, a Utility Easement and Bill of Sale, and an Assignment and Assumption of Permits, Certificates and Approvals. Copies of these contracts were included in the application. The date that Marion County officially assumed responsibility over the Lake View Hills system is the effective date of the transfer, August 2, 2010.

The application contains a statement that Marion County has received a copy of Sunshine's 2009 Annual Report, which includes the Utility's most recent available income and expense statement, balance sheet, statement of rate base for regulatory purposes, and contributions-in-aid-of-construction pursuant to Rule 25-30.037(4)(e), F.A.C. The Utility also included a statement indicating that all customer deposits and interest were refunded to customers on August 11, 2010. In accordance with Rule 25-30.120, F.A.C., Regulatory Assessment Fees (RAFs) for the period ended June 30, 2010, and all prior periods have been paid. The Utility has committed that it will pay the RAFs due through the August 2, 2010, transfer date by January 30, 2011. Sunshine Utilities has also filed its annual reports for 2009 and all prior years.

We find that the transfer of Sunshine's Lake View Hills water system to Marion County is hereby acknowledged as a matter of right pursuant to Section 367.071(4)(a), F.S., and Certificate No. 363-W shall be amended to reflect the territory deletion effective August 2, 2010. A description of the territory deleted as a result of this transfer is appended to this order as Attachment A. The resultant order shall serve as Sunshine's water certificate and shall be retained by the Utility.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the transfer of Sunshine Utilities of Central Florida, Inc.'s Lake View Hills water system to Marion County is hereby acknowledged as a matter of right as set forth herein. It is further

ORDERED that Certificate No. 363-W shall be amended to reflect the territory deletion described herein effective August 2, 2010. It is further

ORDERED that this docket shall be closed.

By ORDER of the Florida Public Service Commission this 15th day of November, 2010.
