Docket No. 100001-EI – Fuel and purchased power cost recovery clause with generating performance incentive factor. (Post-Hearing Recommendation-PEF)

Issue 1: Should Progress Energy Florida, Inc., be permitted to collect through the fuel clause, amounts related to replacement power due to the extended outage at Crystal River Unit 3 prior to the Commission's determination of the prudence of such costs in a separate docket?

Recommendation: Yes, PEF should be permitted to collect, subject to refund, replacement power costs due to the extended outage at CR3 prior to the Commission's determination of the prudence of such costs in a separate docket. These costs should be incorporated into the calculation of the 2011 fuel factor. The prudence of such costs will be analyzed in Docket No. 100437-EI.

APPROVED

Issue 2: Should this docket be closed?

Recommendation: No. The Fuel and Purchased Power Cost Recovery Clause docket is an on-going docket and should remain open.
