RE: New Filing in Docket No. 100451-TP (Midwestern Telecommunications Incorporated et al.)

Midwestern Telecommunications Incorporated (MTI) originally filed on November 12, 2010 a Petition for designation as an eligible telecommunications carrier (ETC) for wireless service in Docket No. 100438-TP. After initial review by staff, MTI was notified to submit an amended petition. Staff specifically, noted in MTI's Petition under "Background", and "Consumer Protection and Service Quality Standards", as examples, that MTI needs to address dockets and matters pertaining to certifications and petitions in Florida, not Illinois.

Subsequent to this request by staff, MTI on November 30, 2010 submitted a new petition and the Clerk's office inadvertently assigned a new Docket No. 100451-TP. I am asking that the Clerk's Office please move the new petition into Docket 100438-TP and close out 100451-TP.

If you have any questions, please give me a call. Thank you for your assistance in this matter.
