Ms. Brown,

Please defer any action on Dockets 100345, 100346 and 100347 until further notice.

As discussed over telephone with Ms. Salak this morning, I need to revise the pro forma financial projections for the three 16-20MW woody biomass power only projects under development to insure that the 2010 baseline data (using a 2018 cost avoidance date vice a 2014 cost avoidance date) will provide enough return on investment to proceed. Should the projects "pencil out," I will request new contracts from Progress Energy Florida (PEF) and reenter the Commission's approval process.

Thank you for your kind attention to this matter.

Respectfully,

Kevin W. Hathaway
President
