Mr. Chamizo:

This e-mail is a response to Ms. Bailey's request below. Please note that Docket 100451-TP is a closed docket. We do not add parties or interested persons to closed dockets. However, that docket was closed because it was a duplicate of Docket 100438-TP. Please advise if you wish to be included as an interested person in Docket 100438-TP instead.

Also, for clarification, as an interested person in a docket pending before the Commission, you would receive all notices for hearing, prehearing, proposed agency action orders, final orders, and notices of Commission conferences via e-mail.

You would not receive copies of "all" filings and correspondence. Please note that all filings are also available for viewing and printing from the PSC website. If you are interested in receiving more documents than those mentioned above, for example, procedural orders, you would need to contact staff counsel for instructions on becoming a party of record. The phone number for our General Counsel's Office is 850-413-6199.

Should you have any questions, please call our office at 850-413-6770.

Please note: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are public records available to the public and media upon request. Your e-mail communications may therefore be subject to public disclosure.
