Issue 2: Should this docket be closed?

Recommendation: No. If no timely protest is received from a substantially affected person upon expiration of the protest period, the PAA Order will become final upon the issuance of a Consummating Order. However, this docket should remain open to allow staff to verify completion of the refund discussed in Issue 1 and to verify that the revised tariff sheets and customer notice have been filed by the Utility and approved by staff. Once staff has verified that the refunds have been made in accordance with Rule 25-30.360, F.A.C., the docket should be closed administratively.
