COMMISSION  
CLERK

**DATE:** December 10, 2010

**TO:** Office of Commission Clerk (Cole) *CW PR [Signature]*

**FROM:** Division of Regulatory Analysis (C. Williams)  
Office of the General Counsel (L. Harris)

**RE:** Docket No. 090022-TX – Petition for designation as eligible telecommunications carrier (ETC) by Tennessee Telephone Service, LLC d/b/a Freedom Communications USA, LLC.

Through discovery, staff became aware that Tennessee Telephone Service, LLC d/b/a Freedom Communications USA, LLC (Freedom Communications) declared bankruptcy and that AT&T suspended its access line ordering privileges. On November 29, 2010, Freedom Communications acknowledged that AT&T disconnected its access lines. Since Freedom Communications cannot provide service to Florida customers at this time, its pending ETC petition is moot. Pursuant to APM 2.07, which states:

“Other dockets initiated by the filing of a petition, application, notice, complaint or other request in which the applicant, petitioner or complainant seeks to withdraw its initial pleading and staff has determined that there are no pending issues that need to be addressed by the Commission regarding the filing, no request for refund of filing fee has been made, and no agency action has been taken.”

Staff is requesting this docket be closed administratively as there are no pending issues that need to be addressed and the Commission has taken no action in this docket.
