Ray,

On further review of the letter referenced below (DN 09867-10), I note that Docket No. 070632-TP was referenced and the document was placed in that docket. I also note that Docket 070632-TP is a closed docket. Therefore, per our conversation, I will *move* DN 09876-10 from closed Docket 070632-TP to active Docket 100021-TP with *no copy* remaining in Docket 070632-TP. Thank you for your help in this matter!

I think this should also be entered into the docket record for Docket No. 100021-TP.
