**JOINT STATUS REPORT**

On October 26, 2010 the Florida Public Service ("Commission") issued its Order Granting Joint Motion to Stay Proceedings, Order No. PSC-10-0641-PA-TP and, on October 27, 2010, issued its Ammendatory Order, Order No. PSC-10-0641A-PCO-TP, that collectively stayed the proceedings in the above-captioned dockets until January 11, 2011 (the "Stay Order"). The Stay Order includes the direction that "[t]hirty days from the date this Order is issued, and every thirty days thereafter during the stay, the Parties will file a joint status report with the Commission: 1) identifying any issues that have been resolved and 2), notifying the Commission of any new or revised issues." Order No. PSC-10-0641-PA-TP at pp. 1 and 2.

Pursuant to the Stay Order, BellSouth Telecommunications, Inc. d/b/a AT&T Florida ("AT&T Florida") and Sprint Communications Company Limited Partnership, Sprint Spectrum L.P. d/b/a Sprint PCS, Nextel South Corp. and NPCR, Inc. d/b/a Nextel

**DOCUMENT NO. DATE**

**FPSC - COMMISSION CLERK**

Partners (collectively "Sprint")(together, the "Parties") filed an initial Joint Status Report on November 24, 2010 (the "November 24<sup>th</sup> Report"), and hereby file this Joint Status Report to notify the Commission regarding the status of further resolved issues since the Parties' filing of the November 24<sup>th</sup> Report.

1) In addition to the issues identified in the Parties' November 24<sup>th</sup> Report, the following identified issues are resolved and should be removed from the issues to be addressed in the Florida proceeding:

Issue 1.[I.A.(1)]: What legal sources of the parties' rights and obligations should be set forth in section 1.1 of the CMRS ICA and in the definition of "Interconnection" (or "Interconnected") in the CMRS ICA?

Issue 2[I.A.(2)]: Should either ICA state that the FCC has not determined whether VoIP is telecommunication service or information service? ( Section 1.3)

Issue 26.[II.C.(3)]: Should the ICA include AT&T's proposed language providing that the trunking requirements in the 911 Attachment apply only to 911 traffic originating from the Parties' End Users?

Issue 32.[II.F.(4)]: Should the CLEC ICA contain terms for AT&T's Toll Free Database in the event Sprint uses it and what those terms?

Issue 35.[II.H.(2)]: What is appropriate language to describe the signaling parameters?

Issue 69.[III.I.(2)]: Should AT&T's language regarding changes to tariff rates be included in the agreement?

Issue 72.[III.I.(5)]: Which Party's language regarding prices noted as TBD (to be determined) should be included in the agreement?

Issue 89.[IV.G.(2)]: What language should govern recording?

Issue 91.[V.B.]: What is the appropriate definition of "Carrier Identification Codes"?

2) The Parties further understand and agree that terms used within the resolved issue contract language that are the subject of an otherwise unresolved issue, remain subject to conformance to reflect the ultimate resolution of the unresolved issue.

3) The Parties do not have any new or revised issues at this time.

Respectfully submitted this 22nd day of December, 2010.
