Case Background

On December 10, 2010, Netline Communications Corp. d/b/a clubip.com (Netline) filed an interexchange telecommunications company (IXC) registration form and tariff with the Commission. After receiving the application, staff determined that Netline had penalties imposed against the company by this Commission in two prior compliance investigation dockets. This recommendation addresses Netline's IXC Registration and settlement offer to resolve all outstanding issues associated with previous dockets involving the company.

Staff notes that an IXC Registration is normally processed administratively in accordance with the Commission's Administrative Procedures Manual. However, in this case Netline

Thank you for the clarification Kiwanis. We will make the requested changes to the docket title and update the CASR for the docket file.

Marguerite, since I changed the info in the utilities and parties fields in CMS yesterday, I will update them today as well. I will place this e-mail in administrative correspondence for historical purposes.

Give me a call if there are any questions. Thank you everyone!

Thanks Kiwanis for your phone call. As I said, MCD (company code) will remain with the same as originally assigned when the docket was opened with the "d/b/a clubip.com" per your phone call and e-mail. As you stated we never showed the 2nd d/b/a in either MCD or the docket title. Marguerite will re-update the docket title. Thanks for your help. Nonnye

Good Morning,

I apologize for the inconvenience, but I misunderstood the company's intentions. Apparently the company wants to drop its second d/b/a "Ipsmile" which is not listed in the docket title or in MCD. Please do not change the name in MCD. It should remain Netline Communications Corp., d/b/a clubip.com. Also, please add the dba back to the docket title. Again, I apologize for the mix up.

Thanks
