Thanks Toni. Have made the correction in MCD and brought that correction into CMS for TY313 in docket 100460-TI.

Good morning Toni! Could you check the spelling of the company's name in dockets 100460-TI and 100469-TX. for us. 100460-TI the name is spelled using Upper and Lower case letters and 100469-TX they are all in upper case letters. Please let Marguerite and me know, so that she can correct the docket title and I can correct MCD if they need to be changed. Thanks, N
