Cc: Marguerite McLean; Dorothy Menasco; Matilda Sanders; Diamond Williams
Subject: RE: Redaction question.

I see it is redacted in some places and not others. Not sure what the acronym is for; however, it appears to be a banking/routing number of some sort. To err on the side of caution, please redact the ABA in all places and give me the un-redacted page(s) - with the document/page no. on it. Thanks.

If you would like to put these Clerk's instructions in administrative correspondence to document this decision, that would be fine. Thanks.

Ann, please advise whether ABA numbers need to be redacted (see Document 05922-11).

Thanks.

Subject: Redaction question.

Hong:

DN: 05922-11, a 125 page document, is being reviewed for final CMS electronic filing. I have discovered several pages beginning with page 53 (CMS page #) that have "ABA numbers" which have not at this point been redacted. Previous instructions to me have caused me to understand that ABA numbers when affiliated with a bank should be redacted. I do not recall seeing this in writing, however it is a common practice I observe. The document in question (05922-11) has in excess of 15 pages where ABA numbers are not redacted. Please clarify whether ABA numbers affiliated with bank information are required to be redacted.

Thank you.

Michael,
for both of confidential DNs 00133-09 and 11319-08 that have been declassified and will be put in-line, they each had a "draft" CD. Is it OK to destroy the CD since the final version of the Order and Staff Recommendation will be on-line ?
Thanks,

Subject: RE: Redaction question.

I see it is redacted in some places and not others. Not sure what the acronym is for; however, it appears to be a banking/routing number of some sort. To err on the side of caution, please redact the ABA in all places and give me the un-redacted page(s) - with the document/page no. on it. Thanks.

If you would like to put these Clerk's instructions in administrative correspondence to document this decision, that would be fine. Thanks.

Ann, please advise whether ABA numbers need to be redacted (see Document 05922-11).

Thanks.

Subject: Redaction question.

Hong:

DN: 05922-11, a 125 page document, is being reviewed for final CMS electronic filing. I have discovered several pages beginning with page 53 (CMS page #) that have "ABA numbers" which have not at this point been redacted. Previous instructions to me have caused me to understand that ABA numbers when affiliated with a bank should be redacted. I do not recall seeing this in writing, however it is a common practice I observe. The document in question (05922-11) has in excess of 15 pages where ABA numbers are not redacted. Please clarify whether ABA numbers affiliated with bank information are required to be redacted.

Thank you.

Michael,
for both of confidential DNs 00133-09 and 11319-08 that have been declassified and will be put in-line, they each had a "draft" CD. Is it OK to destroy the CD since the final version of the Order and Staff Recommendation will be on-line ?
Thanks,
