Dear Ms. Cole:

AFFIDAVIT OF GERARD J. YUPP

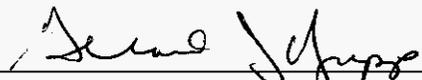

BEFORE ME, the undersigned authority, personally appeared Gerard J. Yupp who, being first duly sworn, deposes and says:

1. My name is Gerard J. Yupp. I am currently employed by Florida Power & Light Company ("FPL") as Senior Director of Wholesale Operations in the Energy Marketing and Trading Division. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents and information included in Exhibit A to FPL's Request for Confidential Classification of Responses to Staff's April 4, 2008 Data Requests (Nos. 1 and 2). The documents or materials that I have reviewed, and which are asserted by FPL to be proprietary confidential business information, contain or constitute data pertinent to FPL's procurement activities and hedging program. The documents contain or constitute trade secrets of FPL, which allow FPL to hedge its fuel purchases on favorable terms for FPL and its customers. The disclosure of this trade secret information would provide other market participants insight into FPL's marketing and trading practices that would allow them to anticipate FPL's marketing and trading decisions, and/or impair FPL's ability to negotiate, to the detriment of FPL and its customers. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. No significant changes have occurred to render the information stale or public such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of at least eighteen (18) months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
