Subject: Mosaic Netwox LLC (Docket 100469)

Hi Patrick,

I have reviewed the CLEC application for Mosaic Netwox LLC. I noticed that for Question 16 the

1/10/2011

company did not list all states in which it is certified or has a pending application for certification to provide local service. For instance, Texas and Illinois are not listed on the application. Mosaic Networx will need to update Question 16 of the application to include all states in which the company is either certified or has an application pending for certification to provide service. Please submit the requested information directly to me by Monday, January 10, 2011.

If you have any questions, please contact me.

Thanks
