Please rescind the request that we "return" these items. Go ahead and keep them for now & we'll send them back when the declassified versions are released (in May).

Michael,

Do you want to retract staff's directive [in DN 09211-10] to return to the source the confidential documents listed below ?

And on 5/18/11, the Clerk's Office will declassify these documents and place them in the public docket file per Orders ruling on these confidential documents.

Marguerite.

Michael,

in DN 09211-10 (See Attachment to E-mail), there is a directive to return the documents listed below.

09072-08
 10755-08
 11546-08

DOCUMENT NUMBER-DATE

0289 JAN 12 =

1/12/2011

FPSC-COMMISSION CLERK

11618-08

All of these documents have had an order issued on them and have declassification dates of 5/18/11.

What we have done in the past (with 423 filings) is retain confidential status until the declassification date given by the order comes around and then we declassify the documents and place them in the public docket file.

Do you want to rescind DN 09211-10 and not return these documents ?

Do you want to retain these documents, declassify them and place them in the public docket file when the declassification date comes around ?

or do you want to return to the source these documents as checked off in DN 09211-10 ?

Also,

in DN 09211-10 (See Attachment to E-mail), there is a directive to return the documents listed below.

10897-08

11879-08

These 2 documents have not had orders issued on them.

do you still want these documents (423 filings) returned ?

Thanks,
Marguerite.
