## 1 P R O C E E D I N G S

2 COMMISSIONER EDGAR: And, Mr. Chairman, I  
3 believe that brings us to Item 15, and I would move  
4 the staff rec.

5 CHAIRMAN GRAHAM: It has been moved and  
6 seconded, the staff recommendation on Item 15. Any  
7 further discussion? Seeing none, all in favor say  
8 aye.

9 (Vote taken.)

10 CHAIRMAN GRAHAM: Those opposed?

11 By your action you have approved Item 15.  
12 Before we get into the weeds, I'm sure you guys all  
13 know about the little switch that's down here. So  
14 when you have to speak, it lights up here so I know  
15 it. So this stuff is gone now (indicating). I turn  
16 it off. Actually you push it in and it goes off.  
17 Has everybody found their switch?

18 COMMISSIONER EDGAR: Do we need to do a  
19 test?

20 CHAIRMAN GRAHAM: It just makes it a lot  
21 easier so my head is not on a swivel here. And I  
22 just wanted to make sure, because if I'm not looking  
23 out here any more, you guys know that I'm not  
24 ignoring you, we have just got to learn the system.

25 COMMISSIONER EDGAR: Mr. Chairman, I'll

1 add that when I had the honors some years back of  
2 sitting in the chair that you now lead us from, my  
3 children occasionally would watch us on TV and they  
4 would say, "Mommy, all you ever do is this  
5 (indicating)," so I'm glad to try to see if we can  
6 come up with some improvements.

7 CHAIRMAN GRAHAM: Well, I think all the  
8 camera people are afraid of the shine coming off of  
9 my head. Also, I want to let everybody know that I  
10 may have to leave out of here by about 10:30 or so.  
11 I need to get over and speak before the Senate  
12 subcommittee -- I'm sorry, the House subcommittee,  
13 so if for some reason you see me leave and hand the  
14 gavel over to Commissioner Edgar, I just wanted you  
15 guys to know that the building is not blowing up, I  
16 just have somewhere else I have to be.
