Re: DN 100160-EG - Petition for approval of demand-side management plan of Progress Energy Florida, Inc. (Program Participation Standards for Solar Pilot Programs)

Dear Ms. Triplett:

On October 4, 2010, the Commission issued Order No. PSC-10-0605-PAA-EG, approving the Solar Pilot Programs for Progress Energy Florida, Inc. (PEF). PEF filed program participation standards for the programs on October 29, 2010. The standards were revised by PEF on December 21, 2010 and again on January 14, 2011.

Commission staff has reviewed PEF's filings and believes the revised solar pilot program participation standards filed by PEF on January 14, 2011, are consistent with the solar pilot programs approved by the Commission on October 4, 2010 in Order No. PSC-10-0605-PAA-EG. Please notify the Commission prior to any changes being made to the program standards.

Sincerely,

A handwritten signature in black ink that reads "Beth Salak".
