That definitely helps. Per this e-mail, we will move DN 00447-11 from Docket 100001 to 110001 and will leave DN 00409-11 in Docket 100001. Thanks again, Katherine!

Marguerite, please follow-up on this. Thank you.

Ok. Document No. 00447-11 should go in the 11 docket because they are A schedules that will get filed each month.
 Document No. 00409-11 should stay in the 10 docket because it's related to outage information for 2010.

I hope this helps!

Hi Katherine,

I believe Matilda is correct that the documents below should be moved from Docket 100001 to 110001. The letters indicate 100001 though. Can you please confirm? Thank you!

Can you check on these 2 DNS, I think they may need to go into 110001-EI.
