Re: GenOn Florida, LP  
Docket No. EG09-29-000

Dear Secretary Bose:

Pursuant to Section 366.7(c)(2) of the Commission's Regulations, 18 CFR §366.7 (2010), GenOn Florida, LP (formerly known as RRI Energy Florida, LLC) hereby notifies the Commission of a change in facts related to its corporate name change and internal reorganization related to, and name change of, its indirect parent company. On December 31, 2010, RRI Energy Florida, LLC was renamed GenOn Florida, LP. GenOn Florida, LP is an indirect, wholly-owned subsidiary of GenOn Energy, Inc. (formerly known as RRI Energy, Inc. pursuant to an internal reorganization that took place on December 3, 2010).

GenOn Florida, LP does not believe that the change in the name or a corporate conversion of an entity that is an EWG constitutes a "material change in facts" affecting the status of an EWG. This change in facts does not alter or affect GenOn Florida, LP's eligibility for EWG status because it is engaged directly and exclusively in the business of owning or operating all or part of one or more eligible facilities and selling electric energy at wholesale. Nonetheless, GenOn Florida, LP is providing this letter to ensure that it remains in compliance with the Commission's regulations regarding EWG certification.

Any questions regarding this filing should be directed to the undersigned. Thank you for your cooperation in this matter.

Sincerely,

David J. Reich  
Director, Government Affairs
