JAN 28 =
FPSC-COMMISSION CLERK

FINAL ORDER APPROVING ENERGY CONSERVATION COST RECOVERY AMOUNTS
AND ESTABLISHING ENERGY CONSERVATION COST RECOVERY FACTORS FOR
THE PERIOD JANUARY 2011 THROUGH DECEMBER 2011 FOR FLORIDA POWER &
LIGHT COMPANY

BY THE COMMISSION:

As part of our continuing energy conservation cost recovery proceedings, an administrative hearing was held January 26, 2011, in this docket. Florida Power & Light (FPL) submitted testimony and exhibits in support of its proposed final and estimated true-up amounts and its conservation cost recovery factors. The Office of Public Counsel (“OPC”) and the Florida Industrial Power Users Group (“FIPUG”) also participated in this proceeding. Prior to hearing, the parties reached agreement concerning all issues identified for resolution at hearing. These issues were presented to us as stipulations. We have jurisdiction over the subject matter by the provisions of Chapter 366, Florida Statutes (F.S.), including Sections 366.04, 366.05, 366.06 and 366.082, F.S.

The parties stipulated to the final and estimated true-up amounts and conservation cost recovery factors appropriate for FPL. We accept and approve the stipulations as reasonable and supported by competent, substantial evidence of record, as set forth below.

We find that FPL’s appropriate final conservation cost recovery true-up amount for the period January 2009 through December 2009 is as follows:

\$5,558,900 Underrecovery

We find that FPL’s appropriate total conservation cost recovery amount to be collected during the period January 2011 through December 2011 is as follows:¹

\$234,764,765

We find that FPL’s appropriate conservation cost recovery factors for the period January 2011 through December 2011 are as follows:

Rate Class	ECCR Factor
RS1/RST1	0.244 cents/Kwh
GS1/GST1	0.237 cents/Kwh
GSD1/GSDT1/HLTF (21-499kW)	0.78 \$/KW
OS2	0.228 cents/Kwh
GSLD1/GSLDT1/CS1/CST1/HLTF (500-1,999 kW)	1.00 \$/KW

¹ Amounts include taxes.

Rate Class	ECCR Factor
GSLD2/GSLDT2/CS2/CST2/HLTF (2,000+kW)	1.00 \$/KW
GSLD3/GSLDT3/CS3/CST3	1.02 \$/KW
CILC D/CILC G	1.09 \$/KW
CILC T	1.11 \$/KW
MET	0.96 \$/KW
OL1/SL1/PL1	0.144 cents/Kwh
SL2, GSCU1	0.190 cents/Kwh

Rate Class	Demand Charge (\$/KW)	Sum of Daily Demand Charge (\$/KW)
ISST1D	\$0.11	\$0.05
ISST1T	\$0.11	\$0.05
SST1T	\$0.11	\$0.05
SST1D1/SST1D2/SST1D3	\$0.11	\$0.05

We find that these factors shall be effective with the first billing cycle starting 30 days after we render our decision. Thereafter, the conservation cost recovery factors shall remain in effect until modified by the Commission. The currently approved factors shall remain in effect. FPL may make the appropriate adjustments in its 2011 actual/estimated true-up calculations to reflect 2011 actual revenues and actual expenses affected by the delayed implementation of the 2011 conservation cost recovery factors.

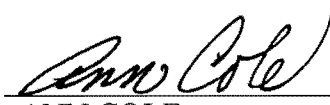

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the stipulations, findings, and rulings set forth in the body of this Order are hereby approved. It is further

ORDERED that Florida Power & Light Company shall abide by the stipulations, findings, and rulings herein which are applicable to it. It is further

ORDERED that Florida Power & Light Company is authorized to collect the energy conservation cost recovery amounts with the first billing cycle starting 30 days after we render our decision. Thereafter, the conservation cost recovery factors shall remain in effect until modified by this Commission. The currently approved factors shall remain in effect. FPL may make the appropriate adjustments in its 2011 actual/estimated true-up calculations to reflect 2011 actual revenues and actual expenses affected by the delayed implementation of the 2011 conservation cost recovery factors.

By ORDER of the Florida Public Service Commission this 28th day of January, 2011.

ANN COLE
Commission Clerk

(S E A L)

TLT

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by the Commission's final action in this matter may request: 1) reconsideration of the decision by filing a motion for reconsideration with the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, within fifteen (15) days of the issuance of this order in the form prescribed by Rule 25-22.060, Florida Administrative Code; or 2) judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or the First District Court of Appeal in the case of a water and/or wastewater utility by filing a notice of appeal with the Office of Commission Clerk, and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days after the issuance of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
