Docket 110045-TX has been established per your request to establish docket regarding the cancellation of CLEC Certificate No. 8588 for CloseCall America, Inc.

Do you want me to move DN 00682-11 from the undocketed docket to 110045-TX ?

Okay... I can easily do that... I think this one just confused all of us... It is better that I send a request down when they don't follow rule procedures...

Thank you so much for letting me know.

Toni

Toni,

Per my instructions noted below, the Clerk's Office will need a request to establish docket from RAD to proceed with the cancellation of certificate for CloseCall America.

2/1/2011

DOCUMENT NUMBER DATE

00788 FEB-1 =

FPSC-COMMISSION CLERK

**"Cancellation of CLEC Certificate / Cancel CLEC Certificate**

***NOTE: If it's a "handwritten" note on a RAF return form or MCD form itself, we DO NOT open a new docket for this. The e-mail that is generated will prompt staff to send a request to establish docket if one is appropriate. We would just document number it and enter it in undocketed matters. If there is a request to close the docket "attached" in letter form we DO open a docket."***

Thank You,  
Marguerite.

Please delete new docket number 110044-TX hand-written on DN  
00682-11 received 1/28/11 (RAF form for CloseCall America).

This document has been placed in the undocketed docket until staff files a request to  
establish a new docket with the Clerk's Office.

sorry for any confusion.

Thank you,
