Re: Docket No. 100158-EG – Petition for approval of demand-side management plan of Florida Public Utilities Company (Program Participation Standards)

Dear Ms. Keating:

On November 12, 2010, the Commission issued Order No. PSC-10-0678-PAA-EG, approving the Demand-Side Management Plan (DSM) and Solar Pilot Programs for Florida Public Utilities Company (FPUC). FPUC filed program participation standards on December 10, 2010. The program standards were revised by FPUC on February 4, 2011.

Commission staff has reviewed FPUC's filings and believes the revised DSM and Solar Pilot Program Participation Standards filed by FPUC on February 4, 2011, are consistent with the DSM and Solar Pilot Programs approved by the Commission.

Please notify the Commission prior to any changes being made to the program standards.

Sincerely,

A handwritten signature in black ink that reads "Beth Salak".
