Docket No. 100312-EI

NOTICE AND MOTION FOR RECONSIDERATION

Petitioner moves for reconsideration and a formal hearing, and as grounds:

Petitioner inquired about how February 8, 2011 informal proceeding would proceed. Larry Harris, Esq., Commission Staff indicated there would be opportunity for Petitioner to rebut comments by opposing Counsel. However, such opportunity to oppose inaccuracies stated was denied by Commission Chairman. Petitioner was not permitted a brief rebuttal so not heard fully according to law. Law trumps legal that with respect to legal interpretation versus ordinary interpretation, courts have upheld that the latter holds precedence. THEREFORE Petitioners seek reconsideration and formal hearing.
