STAFF'S TWENTY-SECOND DATA REQUEST

Re: Docket No. 100330-WS - Application for increase in water/wastewater rates in Alachua, Brevard, DeSoto, Hardee, Highlands, Lake, Lee, Marion, Orange, Palm Beach, Pasco, Polk, Putnam, Seminole, Sumter, Volusia, and Washington Counties by Aqua Utilities Florida, Inc.

Dear Mr. May:

By this letter, the Commission staff requests that Aqua Utilities Florida, Inc. (Aqua or Utility) provide responses to the following data requests.

1. For each individual person, in each firm providing consulting services to AUF, please provide a description and associated cost for any and all expenses incurred to date.
2. For each firm or consultant providing services for AUF, please provide copies of any and all invoices for services provided to date.
3. Please provide an estimate of costs to complete the case through the end of the PAA process, broken down by hour, for each consultant or employee, including a description of estimated work to be performed, and detail of the estimated remaining expense to be incurred.
4. For all individual AUF systems, involved in this case, that have purchased water or wastewater treatment, please provide a table indicating the system, the purchased water/wastewater provider, the bulk rates charged to AUF, and the retail rates charged by these providers for their own residential customers.
5. In its response to the Lake Osborne Civic Association's letter, dated February 2, 2011, AUF also requested a pro form increase in purchased water for the Lake Osborne system. AUF also indicated that it is now being billed under multi-family rates, instead of general service rates pursuant to the original purchased water contract dated October 9, 1974. The original contract indicates that AUF will be billed at the general service rates. Please respond to the following:

CAPITAL CIRCLE OFFICE CENTER • 2540 SHUMARD OAK BOULEVARD • TALLAHASSEE, FL 32399-0850
An Affirmative Action / Equal Opportunity Employer

Page 2

February 9, 2011

- a. Please provide any and all correspondence between AUF and Lake Worth Utilities Authority (LWUA) regarding the justification for switching AUF's customer class from general service to multi-family.
- b. Please explain or describe whether AUF is actively pursuing that it remain a general service customer, instead of a multi-family customer with LWUA. If so, please provide the current status of the negotiations.

Please file the original and five copies of the requested information by March 1, 2011, with Ms. Ann Cole, Commission Clerk, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850. Please feel free to call me at (850) 413-6218 if you have any questions.

Sincerely,

Katherine E. Fleming
