Marguerite,

I used "O&S" in the recommendation for Dkt. No. 100440-WU based on its use in the recommendation for Dkt. No. 100400-WU and in MCD. The company's filings in Dkt. No. 100400-WU in CMS state the name as "O&S" (for example, Document Nos. 08025-10 and 09339-10). It wasn't until the company submitted filings in Dkt. No. 100440-WU that it started using "O & S."

It seems to me that it would be okay to change the name to "O&S" in CMS in order to make it match the recommendations, MCD, and the company's filings in the earlier docket, Dkt. No. 100400-WU. Honestly, I don't know what the impact of that change would be, and I certainly don't claim to be the final authority on this issue. Anna, if you have any input on the matter, I'll defer to you.

Best Regards,

Melissa-Kaye Jones-Alexis

Melissa,
Can you confirm whether or not O & S in the company name should be "O&S" or "O & S" in the docket title.
Thanks,
Marguerite.

Subject: Docket Title for 100440

Marguerite, the company name in the title for Docket 100440 is shown as "O & S Water Company, Inc." (with a space after "O" and a space before "S") in CMS, which is a little bit different than what staff used in the recommendation they just filed, and what is listed in MCD. Both staff rec and MCD have "O&S Water Company, Inc." without any spaces. Would you please update the company name in the title to "O&S Water Company, Inc." in CMS?

Thanks!
