Good morning Ed, thank you for verifying that RRIEnergy Florida, LLC has changed their name to GenON Energy, Inc. and I will now update MCD accordingly. I appreciate you letting me know that Rick is now handling the gas entity, so next time I will ask him. Again, thanks and have a good day. Nonnye

Good afternoon to both! I'm sending this to both of you, as I am not sure who is now handling the Gas Safety entity. Today we received a letter dated 1-18-11 from Mr. David Reith, Director, Government Affairs, for GenOn Energy, Inc. (DN 00591-11) regarding the change of name from RRIEnergy Florida, LLC to GenON Energy, Inc. due to an internal reorganization that took place on 12-3-10. We have a company by the name of RRI Energy, Inc. (Company Code GS061) listed on our Gas Safety list in MCD. Does this change effect this Company's name? Please advise so that I can update our files in MCD if necessary. Also, please verify that the information (listed below) that we have listed in MCD is still correct. Thanks for your help. Nonnye
