Pleased be advised that the Larson's vigorously object to the submittal of this document by joint petitioners Florida Power & Light and Solid Waste Authority (Docket # 110018-EU) after the record has been closed in this proceeding. This is another shameful tactic by FPL & SWA to bolster its absolutely

weak unnecessary case and to gain an unfair unwarranted advantage. From the beginning the petitioners FPL/SWA have tried to cobble together and justify an unneeded source of capacity which will only further burden the 4.4 Million FPL ratepayers and 1.3 Million Palm Beach County taxpayers. This is unacceptable in this challenging economic atmosphere. The ratepayers deserve the protection and denial of this petition that only the Public Service Commission can offer in this proceeding.

Sincerely Alexandria and Daniel Larson

Marguerite,

According to the web site, the DEP Secretary is Herschel T. Vinyard, Jr. He should be listed as the contact person for DEP.

For now, we can keep Mike Mcdaniel as the contact person for DCA.

Thank you,

Charlie

The DEP secretary should be changed. I don't know about the DCA because the contact person isn't listed as the secretary. DCA may still want the named individual listed.

The parties and interested persons list in Docket No. 110018 should be updated to include the new Secretary of DEP and his contact information.

You might also want to check and make certain the DCA information is still correct.

Thanks
