Re: Docket No. 100159-EG - Petition for approval of demand-side management plan of Tampa Electric Company (Program Participation Standards)

Dear Mr. Bryant:

On December 12, 2010, the Commission issued Order No. PSC-10-0736-PAA-EG, approving the Demand-Side Management (DSM) Plan for Tampa Electric Company (TECO). TECO filed program participation standards on February 11, 2011.

Commission staff has reviewed TECO's filings and believes the DSM Plan program participation standards are consistent with the DSM Plan approved by the Commission. Staff would encourage the speedy implementation of these programs to allow eligible ratepayers the opportunity to participate as soon as possible.

Please notify the Commission prior to any changes being made to the program standards.

Sincerely,

A handwritten signature in black ink that reads "Beth Salak".
