Good morning Rick, for your information we have had returned mail for the above that is on our "Gas Safety (GS)" list. All the phone numbers we have listed in MCD per the operator "are no longer in service". Are they still under the PSC jurisdiction? If so, hopefully you can get a good mailing address, liaisons, etc. so that I can update MCD. Should they no longer be in business, can you give me a date to place in the "inactive" field, so we can remove them from the "GS" list. Should you have any questions, please call me 413-6746. Thanks, Nonnye
