Subject: Docket 080317-EI - DNs 01051-11 and 01059-11

Keino,

The Clerk's Office placed DNs 01051-11 and 01059-11 in closed Docket 080317-EI.

Please confirm if this is correct or not, or should these 2 DNs be placed in the undocketed docket (110000-OT) ?

Note: Last year we put similar letters from TECO and GPC in the undocketed docket (100000-OT).

DN 01051-11 - TECO (Ashburn) - Letter dated 2/15/11 providing report with information of most recent efforts to obtain commercial insurance for transmission and distribution facilities, and a summary of amounts recorded in Account 228.1 in 2010, pursuant to Rule 25-6.0143(1)(m), FAC.

DN 01059-11 - GPC (Ritenour) - Letter dated 2/15/11 to ECR/Willis providing report with information concerning efforts to obtain commercial insurance for transmission and distribution facilities, and a summary of amounts recorded in Account 228.1 in 2010, pursuant to Rule 25-6.0143(1)(m), FAC.

Thanks,
