Re: Docket No. 100432-TP - Request for Emergency Relief and Complaint of American Dial Tone, Inc. Against BellSouth Telecommunications, Inc. d/b/a AT&T Florida to Resolve Interconnection Agreement Dispute

Dear Ms. Cole:

At the suggestion of the Commission staff, I write to provide a brief exposition of the captioned docket's status.

Over the course of the last few weeks, American Dial Tone, Inc. and AT&T Florida have discussed possible changes to the scope of the issues of the docket based on the December 1, 2010, Memorandum of Understanding and events subsequent, as well as possible factual stipulations.

My expectation is that within another few weeks, the parties should be able to report whether all or part of the case should proceed and, if it should proceed, how it should proceed. We appreciate the Commission's patience while the parties discuss these matters.

Let me know if you have any questions.

Sincerely,

Matthew J. Feil
