RE: Docket No. 110051-TP - Request for cancellation of PATS Certificate No. 8648 and for acknowledgment of cancellation of IXC Registration No. TK099 held by OCS Communications, Inc., effective December 31, 2010 *MTX*

OCS Communications, Inc. has requested cancellation of its Pay Telephone Certificate No. 8648, and its IXC tariff and Registration No. TK099, effective December 31, 2010. The certificate/registration holder has complied with the provisions of Rules 25-24.514(2) and 25-24.474(2), Florida Administrative Code, by providing adequate notice in writing of its request for cancellation. In addition, the company paid the 2010 Regulatory Assessment Fees, as required in Section 364.336, Florida Statutes.

If the company commences operations in Florida as either a pay telephone services provider or an intrastate interexchange carrier in the future, a new PATS application or IXC registration must be filed.

Pursuant to Section 2.07.C.5.c., Administrative Procedures Manual, it is our recommendation that the voluntary PATS cancellation be approved, and an administrative order be issued.

Pursuant to Section 2.07.C.5.i., Administrative Procedures Manual, OCS Communications, Inc., holder of IXC Registration No. TK099, can be voluntarily removed from the IXC Registration list effective December 31, 2010.

Accordingly, with this Memorandum, this docket should remain open pending issuance of an Administrative Order addressing the PATS cancellation.
