The attached forms for the above referenced companies are being returned with the notation that these companies filed Chapter 7 Bankruptcy on October 2, 2006. They went out of business that very day.

Lightyear Network Solutions, LLC was the managing company for these two carriers, but we terminated our contract with these companies right after the bankruptcy. I did not sign the forms because I am no longer the contact person for these companies, but wanted the Commission to please cease all mailings regarding these companies to the address on the attached form.

Any questions, please feel free to contact me.

Sincerely,

Linda Hunt
