(Complaint against AT&T d/b/a BellSouth

Docket No. 100175-TL

PETITIONERS' REPLY

During February 8, 2011 Hearing Commissioners expressed compassion about specific circumstances of Petitioners, a couple with exempt status, who are elderly and jobless. February 25, 2011 Florida Power and Light Company's Reply makes a false assumption. In fact Florida Administrative Code does not prohibit replies to motions from both parties.

Where Respondents wrongfully have demanded payment, of their obligations to Government entities, from Petitioners who are not required to pay those costs according to Florida Statutes, such attacks, against persons *e.g. jobless* who are prevented access and denied opportunity to earn a good living, violate law. Therefore, Petitioners declare all Commission votes and decisions that support those attacks shall be immediately vacated.
