Issue 2: Should this docket be closed?

Recommendation: Yes. If Issue 1 is approved, the docket should remain open pending staff's verification that the revised tariff sheets and customer notice have been filed by the utility and approved by staff. The revised tariff sheets should become effective on or after the stamped approval date on the revised tariff sheets, pursuant to Rule 25-30.475, F.A.C. If a protest is filed within 21 days of the issuance date of the Order, the tariff should remain in effect with all increased charges held subject to refund pending resolution of the protest, and the docket should remain open. If no timely protest is filed, a consummating order should be issued and, once staff verifies that the notice of the change in miscellaneous service charges has been given to customers, the docket should be administratively closed.
