Re: Tampa Electric Company – Modification of Program Participation Standards for Solar Pilot Programs

Dear Mr. Bryant:

On March 28, 2011, Tampa Electric Company (TECO) submitted its proposed modification of program participation standards for its solar pilot programs.

Commission staff has reviewed TECO's proposed modifications and believes the solar pilot program participation standards are consistent with the solar pilot programs approved by the Commission.

Please notify the Commission prior to any further changes being made to the program standards.

Sincerely,
