BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Joint petition for modification to determination of need for expansion of an existing renewable energy electrical power plant in Palm Beach County by Solid Waste Authority of Palm Beach County and Florida Power & Light Company, and for approval of associated regulatory accounting and purchased power agreement cost recovery.

DOCKET NO.: 110018-EU

FILED: April 18, 2011

NOTICE OF WITHDRAWAL

Mr. Frank Woods and Ms. Kelly Sullivan, Husband and Wife, through their undersigned attorney, hereby withdraw from participating as a party of record in the above captioned docket. The undersigned attorney is not able to attend the hearing due to a schedule conflict that arose after the hearing date was set.

The undersigned attorney reiterates that Woods/Sullivan remain vigorously opposed to the joint petition on the grounds set forth within their prehearing statement, and further requests that the Woods/Sullivan Prehearing Statement be preserved for the record in opposition to the Joint Petition for the Determination of Need. The undersigned attorney further notes for the record that Commission staff omitted the Woods/Sullivan proposed stipulation text from their prehearing statement within Section X (Proposed Stipulations) of the Draft Prehearing Order. A full stipulation on all issues, thereby avoiding the need to conduct a full hearing, could have been achieved had FPL agreed not to seek recovery for an Advanced Capacity Payment of nearly \$60 million dollars from FPL ratepayers.
