On January 19 of 2011, I sent back the assessment fee return form for year ending 12-31-10, indicating the business was closed since 12/31/09 (enclosed please find a copy of a certification from the Florida Department of Revenue indicating the business was closed)

I continue to get letters demanding payment. I called the Public Service Commission and in a conversation with David Brown, he explained that we needed to be informed of the closing of the business in 2009 and therefore I need to send the payment for 2010.

I believe this is an unfair practice to demand payment from my own personal account to cover a certificate on a company that went out of business in 2009.

But never the less on March 09, 2011, I sent 2 money orders one for \$700.00 and one for \$600.00 by certified mail to close all the open documents and clear this issue.

Thank you very much,

Antonio Pita
