RE: Kentucky Data Link, Inc.
CLEC Certificate No. 8717 (080111-TX), Company Code TX957

Dear Ms. Cole:

Please accept this letter as notification to the Florida Public Service Commission of a name change instituted as a result of a change of control of Kentucky Data Link, Inc. Kentucky Data Link, Inc. will now be known as Windstream KDL, Inc. Please change the records and telecommunications certificates of the Commission to reflect this name change. The name change has been filed with the Florida Department of State, Division of Corporations, as evidenced by the attached letter dated January 26, 2011.

The name change was effective as of January 24, 2011, and a sample letter informing customers of the change was forwarded to customers on or about December 1, 2010 (a sample letter is attached for your information).

Please note that your main contact for Windstream KDL, Inc. will now be Ms. Bettye Willis, Vice President – State Government Affairs. Ms. Willis' mailing address is 13560 Morris Road, Suite 2500, Milton, GA 30004-8997, phone number 678-351-2049, and her email address is bettye.j.willis@windstream.com.

If you have any questions, please feel free to contact me. Thank you for your attention to this matter.

Sincerely,

Stacy Majors

KDL is now part of Windstream.

As you may have heard, KDL is now part of Windstream Communications. We are excited about the combination of KDL and Windstream and want to take a moment to briefly introduce Windstream to you.

Windstream is a communication and technology company that provides next generation data, voice, MPLS networking, data centers, managed services and communication systems to over 400,000 businesses across 29 states. We at Windstream welcome the opportunity to continue serving your business technology needs.

Key reasons why businesses choose Windstream:

- **Investing in the future.** Windstream is an S&P 500 company and invests significant capital annually to grow solutions for business customers. The company invests more than \$400 million a year to fortify our advanced network and data centers.
- **Expanded opportunities.** With the current 30,000 miles of fiber currently available through KDL, Windstream now offers over 56,000 miles of long-haul and metro fiber to provide additional flexibility to support your communication requirements.
- **A proven track record.** Windstream's broad industry expertise encompasses such areas as healthcare, finance, hospitality, retail, education, government, services and agriculture.
- **Customer focused.** Nothing is more important to KDL than taking care of its customers. That commitment remains unchanged as Windstream and KDL join together. Our experienced engineers, technicians, service and sales teams are a major reason why businesses rely on us to deliver innovative solutions.
- **Convenience.** One company for all your next generation data, voice, MPLS networking, data center, managed services and communication system needs.

The team that supports your account is not changing, and no action is required on your part. Please continue to use the same phone numbers for billing questions, technical support and customer service. For additional information you may also visit windstreambusiness.com/FAQ.

While the name is changing, our commitment to providing you with the best products and services is exactly the same. We look forward to continuing our relationship with you for years to come.

Sincerely,

John Greenbank
